

DISCIPLESHIP PATH: STEP TWO

SERVING OTHERS

“Take loving action for the sake of others.”

DISCIPLESHIP PATH: STEP TWO

The Step:

Serving Others

The Heart:

“Don’t be selfish; don’t try to impress others. Be humble, thinking of others as better than yourselves. Don’t look out only for your own interests, but take an interest in others, too. - Philippians 2:3-4

“For you have been called to live in freedom, my brothers and sisters. But don’t use your freedom to satisfy your sinful nature. Instead, use your freedom to serve one another in love.” - Galatians 5:13

As Jesus begins, or continues, the work of transformation as we encounter biblical teaching we are lead to the next step in our discipleship pathway - to serve one another in love. As disciples of Jesus we are called to serve one another in love helping to meet the needs of those around us and thereby share the good news of the Gospel.

No matter where we find ourselves in the process and journey of faith, one of the best things we can do is be people action for the kingdom of God. We see this happening in two specifics ways at CrossView Church.

First, there are many opportunities to serve one another in love as part of one of our CrossView serve teams. We encourage everyone to be part of the incredible group of leaders at CrossView that keep the church thriving.

Second, serving one another in love, means that we are going to make every effort to have a huge impact on the community around us. God placed CrossView Church in Snohomish, in this particular community, and in this specific neighborhood to be a blessing to the people in need who live around the church. We want to be a church that is known as being FOR our community. We want to be a church that is known for being a BLESSING to our neighborhood. Our goal is to have a number of partnerships and community initiatives to, in very real and practical ways, meet needs of people in our community and shower them with the love of Jesus.

Strategic Plan:

- Partnerships: Community Kitchen, Lahai Medical Clinic, Central Primary Center, Neighborhood Food bank, etc (expanding list).
- CrossView Serve Teams
